

Downloading the Aces Schedule on Your iPhone

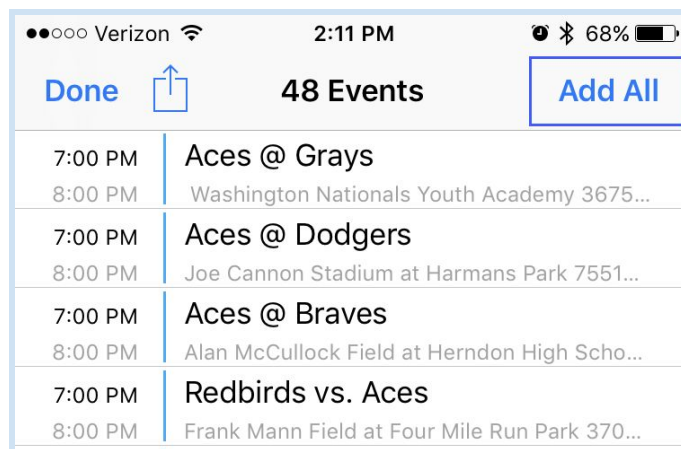

1. On your iPhone, open **Safari** and navigate to <http://www.alexandriaces.org/schedule/>
2. Change the Month to **June** and then click **Go**

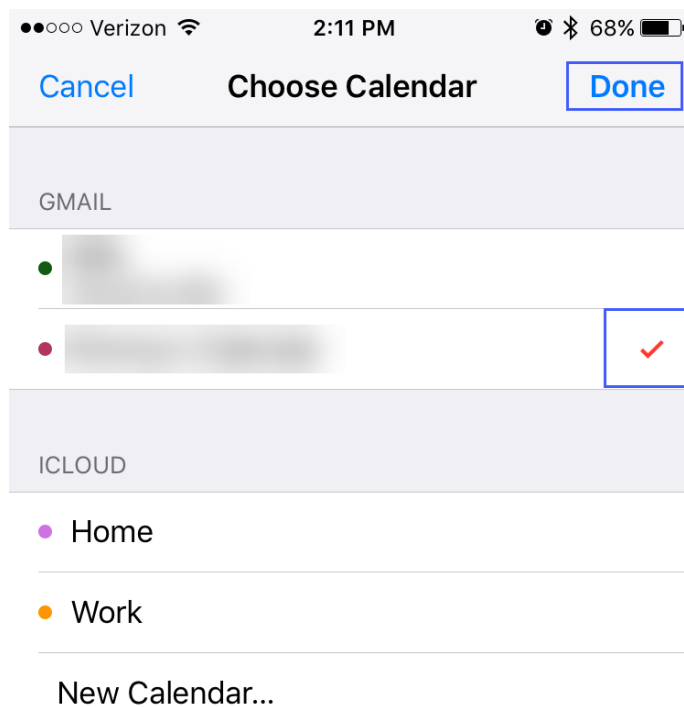

3. Now you will see all the games in the month. Scroll to the bottom and click on **Download as iCAL**

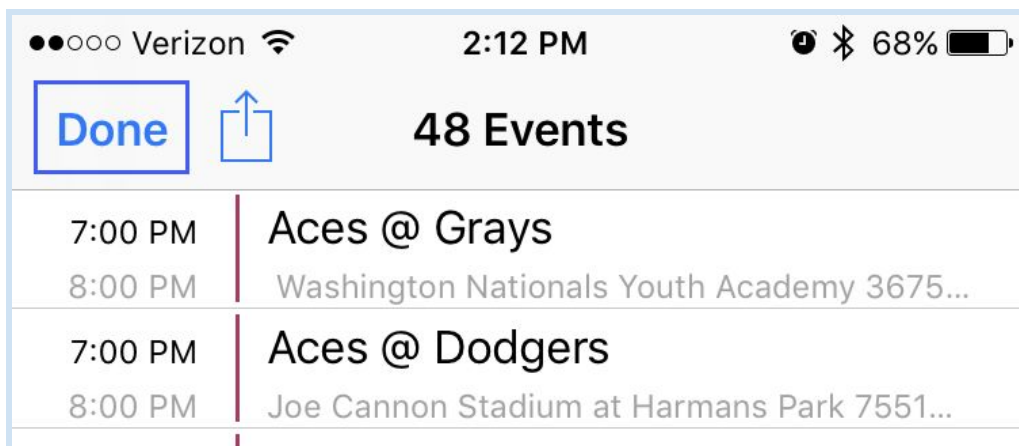

4. You will now see **48 events** listed. Click **Add All** in the upper right.

5. You will now be prompted to choose which calendar you want the schedule saved to. Select the one that you want and then click **Done** in the upper right.

6. You will then see the 48 events listed again. Click **Done** in the upper left.

7. You have now successfully added the Aces schedule to your Calendar. Hope to see you at the ballpark!
